

## GRADUATION ANNOUNCEMENTS & ITEMS

- Announcements, stationery, mugs, key chains, and any other special item will be ordered at the same time as caps & gowns.
- The only difference is that these items must be paid directly to Herff Jones and you can pay them with a check.
- Announcements are not tickets for the graduation ceremony. They are simply announcements. Please remember to order these if you would like to send them to family and friends.

Herff Jones will be meeting with the entire senior class in 2010. The purpose of the meeting will be to inform seniors about everything they need to know in regards to caps & gowns and special item orders. They will also visit the school during lunch to take special item orders.
