

PROM

- This special event will be held on Saturday, April 26th from 7:30-11:30 p.m. at the Intercontinental Miami (Downtown).
- Tickets will be sold February 18th-28th, 2014 during 1st and 2nd lunch on a first-come, first-served basis for approximately \$95* per guest (*price is subject to change). Please make sure that your child purchases their ticket early.
- You will be required to submit a Prom Contract along with your payment for the prom ticket. The contract delineates our expectations for your dress and behavior. Also, if you are planning to bring a guest, whether they are an underclassman at Miami Springs Senior or a student from another school, there will be a contract required for them as well.
- We will be selling approximately 400 tickets – once we run out of tickets, we cannot order more due to the limit of people in the facility space.
- The price includes the reception, full meal at serving stations, DJ, and dancing!
- The dress code is formal!
- Herff Jones, our school photography company, will be there to take photos, but that is priced separately.
- We do not sponsor any activity after prom, so please do not listen if your child says they have a school party afterwards.
